

EILA WINES

2021 Eila Wines

All wines are made in small batches, using 2-3 ton stainless steel and concrete fermenters for the reds and barrel fermented for the white. Ambient/native yeast fermentation, gentle fermentation treatment to avoid excessive extraction. The wines are generally not fined or filtered.

2021 Eila Indigo Pinot Noir

Sourced from Witness Tree Vineyard in the Eola-Amity AVA (from a Pommard clone block at 500' elevation). Harvested 8 September 2021. Fermented using 38% whole cluster. Aged in 40% new oak (Quintessence and Taransaud barrels).

121 cases produced. 13.1% ABV. 3.49 pH. \$65 Released April 2023

2021 Eila Scarlet Pinot Noir

Sourced from Prophet Vineyard in Eola-Amity AVA (440-600' elevation). Harvested 22 September 2021 from sections planted with Pommard and Coury clones. Fermented using 25% whole cluster. Aged with 20% new oak (Mercurey barrel).

120 cases produced. 13.6% ABV. 3.67 pH. \$65 Released April 2023

2021 Eila Violet Pinot Noir

Sourced from Le Cadeau vineyard (600-700' elevation) in the Chehalem Mountains AVA from blocks planted with 777, 667, Pommard, 115 and Mariafeld clones. The grapes were harvested 12 September 2021. Fermented using 27% whole cluster. Aged with 25% new oak (Taransaud and Francois Freres barrels)

189 cases produced. 12.6% ABV. 3.54 pH. \$65 Released April 2023

2021 Eila Chardonnay

Sourced from Von Oehsen Vineyard in the Eola-Amity AVA (400-500' elevation), from a section planted with CH95 clone. Harvested 6 September 2021. Crushed then pressed, fermented in 228L and 500L barrels. Stored on lees with minimal battonage. 42% new oak from a Damy puncheon.

109 cases produced. 12.7% ABV. 3.22 pH \$65 Released April 2023
