EILA WINES

2023 Eila Wines

All wines are made in small batches, using 1.5-2 ton fermenters for the reds and barrel fermented for the white. 2023 conditions became quite hot around harvest, condensing the harvest timeline before fruit became sunburned and sugars rose above moderate levels. Ambient/native yeast fermentation, gentle fermentation treatment using pigeage to break up the whole clusters and pumpovers to avoid excessive extraction. Hard press juice was separated from the free run for the reds and vinified separately, forming the base of the Cuvee. Wines were bottled with no fining/filtering between July 2024 and July 2025, with the Chardonnay over-vintaged as usual along with the Indigo.

2023 Eila Cuvee Pinot Noir – a multiple AVA blend

Sourced from multiple vineyards: Hess Creek in Dundee (33%), Johan in Van Duzer (33%), Le Cadeau in Chehalem (20%), Prophet in Eola Amity (7%), mixed hard press (7%). 43% whole cluster. 13% new oak (Francois Freres) and 3 once-used barrels. Pommard, Wadensvil, Mt Eden 37, Coury, La Tache, 115, 667, 777 clones. Bottled 22 July 2024

371 cases produced. 13.4% abv, 3.6 pH, SRP $40

2023 Eila Indigo Pinot Noir – Brittan Vineyard

Sourced from Brittan Vineyard, located in the McMinnville AVA in Willamette Valley (first planted in 2001). Harvested 18 September 2023 from blocks planted with 777, Calera, Wadensvil and Swan clones – very low yields, ~0.75 tons/acre. Fermented using 25% whole cluster. Aged with 33% new oak (Taransaud barrel). Bottled 3/28/25

75 cases produced. 13.6% abv, 3.6 pH, SRP $65

2023 Eila Scarlet Pinot Noir – Prophet Vineyard

Sourced from Prophet Vineyard in Eola-Amity AVA (11 acres, 440-600' elevation, planted in 2013). Harvested 22 September 2023 from sections planted with Pommard, Wadensvil, Mt Eden, Coury, and La Tache 828 clones. Fermented using 50% whole cluster. Barrel-aged with 22.5% new oak (Chassin barrel). Bottled 23 July 2024

119 cases produced. 13.3% ABV. 3.6 pH. SRP $65

2023 Eila Vermilion Pinot Noir – Anonimo Vineyard

Sourced from the Anonimo Vineyard in Dundee Hills AVA. 8 acre vineyard, elevation ~650' planted in 2013. Harvested 12 September 2023 from sections of Pommard and Wadensvil

clones. Fermented using 50% whole cluster. Barrel aged with 25% new oak (Mercury barrel). Bottled 23 July 2024

101 cases produced. 13.0% abv, 3.6 pH SRP $65

2023 Eila Violet Pinot Noir – Le Cadeau Vineyard

Sourced from Le Cadeau vineyard (610-740' elevation, planted in 1999) in the Chehalem Mountains AVA from blocks planted with 114, 115, 667, 777, Pommard and Mariafeld clones. The grapes were harvested 13 and 15 September 2023. Fermented using 42**%** whole cluster. Aged with 27% new oak (Taransaud, Quintessence Fleur barrels). Bottled 23 July 2024

200 cases produced. 13.5% ABV. pH 3.6, SRP $65

From pick 2 with one barrel from pick 1 (7 barrels total)

2023 Eila Chardonnay – von Oehsen Vineyard

Sourced from Von Oehsen Vineyard in Eola-Amity (400-500' elevation) from a block planted with the CH95 clone. The grapes were harvested 11 September 2023. Grapes were foot crushed to produce plenty solids, 4 hour maceration until the juice browned before whole cluster pressing for 2 hours up to 2 bar. Aged in a new Damy puncheon and a neutral puncheon for 9 months, then in stainless steel on lees for ~13 months. Bottled 7/29/25

149 cases produced, 12.4% abv, pH 3.2, SRP $65
